

I-PYR 750 WDG

Similar to: Arsenal®

Active constituent	Imazapyr ammonium salt 750g/kg		Formulation	WG
Typical situations	Agricultural buildings and other farm non-crop situations (see registration section).			
Chemical group	2 (B)			
Mode of action	Root and foliar uptake, rapid upward translocation—inhibits cell division and disrupts growth.			
Typical pack size	2kg			
Poison schedule 5	Dangerous goods class	–	UN	–
Withholding period	Harvest Not required when used as directed.			
	Grazing Do not graze or cut treated vegetation for hay.			
Plant back	Minimum of 5 months up to 18 months.			
Application method	Boom spray 50L/ha or greater, handgun or knapsack.		Rain fastness	2 hrs
Efficacy	Pre-emergence efficacy is maximised by soil moisture to a depth of at least 50mm. Post-emergent application efficacy and crop safety are maximised in conditions where weeds are actively growing.			
Adjuvants	Speedy Spray may assist post-emergent efficacy.			
Compatibility	Glyphosate			
Incompatibility	Bipyridyls (e.g. Brown Out, Paraquat, Diquat).			
Water quality	–			
Time to effects and symptoms	10 days–4 weeks, dependent on weeds type and size. Symptoms include purpling, chlorosis and necrosis followed by death.			
4F Broadacre registrations	Agricultural buildings and other farm non-crop situations (extract listed).			
4F Other registrations	Commercial, industrial, public service areas, rights of way and wasteland (see label).			
Similar product registrations	As above.			
Situation	Target Weed/s	Rate/ha	Comments	
Firebreaks/ Non-agricultural purposes	All plants (see label for comprehensive list)	1.3–2kg	Will kill all weeds.	
Comments				
<ul style="list-style-type: none"> Do not apply by aerial application. Do not use aluminium, galvanised iron, or plain steel containers. I-PYR is non-selective and has both foliar and soil residual activity. Be cautious of drift. 				

If you want help to make the equivalent of products like 'On Duty' which is 525g/kg I-Pic and 175g/kg I-PYR feel free to call your local 4Farmers agent or the Perth office on 08 9356 3445.

10L 'On Duty' is about the same as 20L I-Pic and 2kg Imazapyr from 4Farmers.

We can help you sort out your calculations if you are concerned.
